# MIDDLE SCHOOL LEADERSHIP PROGRAM

## Model United Nations Buchanan YMCA

### Description

The California YMCA Youth and Government - Model United Nations program is a simulation of the "real-life" United Nations Assembly. Participants will research, debate and establish policies, treaties and resolutions. The focus will be on international issues, including disputes between countries, peace-keeping responsibilities and stabilizing financial markets. The program concludes with an Assembly involving youth from YMCAs all over California representing each nation recognized by the United Nations.
