the SUMMER to DISCOVER

at the Mission Y...

We have fun for everyone this summer, regardless of your age, income or background. We bring people closer together in a welcoming, supportive environment to nurture the potential of youth, promote healthy living and give back to the community.

This summer, children can learn, grow and thrive through the exhilarating fun of sports, day and specialty camps at the Y. In the midst of all the fun, they'll explore nature, find new talents, try new activities, gain independence, and make lasting friendships.

Teens can have fun socializing with their friends in a safe, positive environment while exploring interests, learning leadership skills, and discovering all they can achieve.

Plan your summer fun at the Y, and experience the impact we can make in your life and in the community.

hello!

welcome

I'd like to welcome you and your family to the Mission YMCA where we stand for youth development, healthy living, and social responsibility.

My name is Lariiece Williams, and I am the Summer Camp Director. While you could have chosen any other summer camp for your child to attend you have made the decision to send your child to the Mission Y to fit your child's and your family's needs. At the Mission Y we take pride in relationship building, diversity, community partnerships, and passionate staff.

Summer camp 2018 is going to be a F.A.B. summer filled with Friendships, Achievements, and Belonging. Summer can and will transform a shy, and quiet child into a child that makes friends easily, learns a multitude of activities, and feels safe, loved, confident, and happy. As hard as it may be for parents, the Y will help make those smooth transitions!

Welcome to the Y and have a great summer!

With Great Pleasure,
Lariiece Williams

Restorative Practices

We have integrated the following Restorative Practices components:

- Using the circle process to build community
- Shift away from traditional/punitive discipline practices
- Embrace the concept of doing things “with” one another and creating a sense of inclusion and shared responsibility
- Use restorative questions to repair harm and restore community
- Use circle process to address larger behavior issues and respond to harm

WHY YOUR CHILD BELONGS AT YMCA SUMMER CAMP...

Our camp experience

With more than 100 years of camping experience, YMCA camps are a safe and nurturing place, where children build self-esteem, leadership skills, and a sense of responsibility for themselves and the world around them.

Our commitment

Your child will find the confidence for creative self-expression through songs, art, new friendships, and new adventures. We offer more than nonstop fun. Your child will learn how to apply time, talent, and energy toward a caring, honest, respectful and responsible life.

Our leaders

Each summer our camp staff completes over 40 hours of summer camp training. We are caring, competent and experienced. Our training includes camp safety, activity planning, CPR, First Aid, and more, making your child’s experience both safe and fun.

Our pledge

We are dedicated to making your and your child’s experiences at YMCA camp extraordinary. At the end of the day, your child will come home with a positive experience.

WHO WE ARE

The Y is the nation’s leading nonprofit committed to strengthening communities through youth development, healthy living and social responsibility.

OUR IMPACT

The Y is, and always will be, dedicated to building healthy, confident, connected and secure children, adults, families and communities. Every day our impact is felt when an individual makes a healthy choice, when a mentor inspires a child, and when a community comes together for the common good.

HOW WE DO IT

We integrate our four core values of caring, honesty, respect and responsibility in everything we do. We create extraordinary memories through providing opportunities to engage in new, fun and enriching experiences.

At the Y, we help kids develop new skills and interests, interact in positive ways, and engage in healthy lifestyles while being mentored by adult role models.

FAQs

What should my child bring to camp?

For a typical day of camp, your child will need:

- Backpack
- Reusable water bottle
- Comfortable clothes and closed toe shoes, no sandals
- A good attitude

Do I need to pack a lunch or snack for my child?

We provide lunch, and an afternoon snack for all campers. Lunch and snack options vary from day to day. A lunch and snack menu will be available to pick up from camp site location. Please pack a reusable water bottle.

What if I am late picking my child up from camp?

Children who are not picked up by 6:00 PM, will be charged a \$15 late fee for any of the first 15 minutes after the end of camp. An additional \$1 per minute fee will be charged after the first 15 minutes. For example, pick-up ends at 6:00 PM, and a child is picked up at 6:10 PM. There would be a \$15 charge.

What if my child is a few months too young to attend camp?

Camps are organized by grades versus ages. All campers must be entering the grade in the fall as listed for each camp.

How do I ensure my camper is in the same group as his/her friend?

Camp is an important place to make new friends and develop new relationships. Camp is designed for participants to develop new friendships with their peers and we encourage parents to support this goal. However, if you still need to ensure campers are within the same group, you may provide a written note for the Unit Director of your camp on the first day. Camp staff will attempt to ensure your camper can be within the same groups, but groupings depend on ability and/or age and therefore these accommodations will not always be possible.

Where may I turn in my medical release/liability waiver form?

Medical release/liability waiver forms are required for each camper. All medical release/liability waiver forms may be dropped off at the your camp site location during regular business hours.

INITIATIVES

NEW PROGRAM INITIATIVES

The Y is a strong leader in Youth Development and we can help children further realize their potential if we incorporate a holistic approach in our youth programs, like day camp.

The Mission Y Camp Program is taking part in new initiatives to close the achievement gap and prevent summer learning loss. Summer is a critical time in the development of our children and we are taking steps to support every child in reaching their fullest potential. The program initiatives that will be evident throughout the summer are Summer Day Camp Upgrade (a Y-USA initiative), Thing-a-majig, and Play Learn Serve Work.

The Day Camp Upgrade Program intentionally fosters achievement, relationships, and belonging in the fun, enriching experiences at Day Camp – helping children build skills, develop strong friendships and feeling like they are a part of something great.

While we know these skills are invaluable to all ages, due to lengthy nature of some of the projects and fine motor skills needed, we are only enrolling 2nd - 5th graders.
