ABOUT JONES GULCH

At YMCA Camp Jones Gulch, campers discover the natural world. It is much more than simply canoeing, swimming, campfires with friends, archery, horseback riding, and dabbling with the arts. Campers and counselors work together, learn new skills and build an honest, caring, responsible and respectful community. At the heart of the program, we encourage campers to challenge themselves to meet personal goals, gain confidence and become part of team.

To get the most out of Camp, you must:

- Live and play respectfully with similarly aged campers.
- Be responsible for personal care and individual health and safety.
- Follow a varied activity schedule and manage free time.
- Enjoy overnight excursions that require challenging hikes.
- Understand and respond to group instruction for the activities.
- Join in group activities that build community, such as singing, campfires, and family-style meals in the dining hall.
- Contribute positively to the overall spirit of the camp community.

YMCA Camp Jones Gulch endeavors to arrange reasonable accommodations to make camp accessible while preserving the rustic facilities, natural surroundings and quality of the camping experience for all.

A SHORT HISTORY OF YMCA CAMP JONES GULCH

The present site of YMCA Camp Jones Gulch was once part of Rancho San Gregorio, a stretch of land granted to Mr. Juan Alvarado by the Mexican Government. After passing through a few proprietors, the land was eventually sold to Jones & Franklin, a smalling milling operation in 1857. David Jones, of Jones & Franklin and for whom our camp is named, constructed a saw mill on this site, which is now our current Dining Hall. In the 1934, the then owner of the property, Mrs. S. M. Black was looking to sell her property to a non-profit to create a camp for boys and girls. Richard Perkins, the General Secretary for the YMCA of San Francisco at that time, negotiated a deal with Mrs. Black and was able to acquire 927 acres of redwood forest and meadows. Over the years, the YMCA of San Francisco has run a variety of camps and has expanded upon the facilities and programs to what you see today!

OUR MISSION

We build strong kids, strong families, and strong communities by enriching the lives of all people through spirit, mind, and body.

OUR VISION

Camp provides pathways for discovery, inquiry, inspiration, rambunctious exploration, and the art of making friends.

WELCOME ALL

We work to ensure that everyone, regardless of ability, age, cultural background, ethnicity, faith, gender, gender identity, ideology, income, national origin, race, or sexual orientation has the opportunity to reach their fullest potential.

YMCA Camp Jones Gulch is proud to be an American Camp Association accredited camp, meeting nationally recognized standards for quality youth camping.

- Finish each day with feeling joyful, exhausted, connected to nature and your peers, and the soreness on the bottom of your feet.

OUR STAFF

Our greatest resource is our staff, which is comprised of young adults who are carefully screened for their desire and ability to work with children. They complete an intense training program, to foster a safe and fun environment for our campers. Our directors and coordinators have extensive experience in youth development and leadership.

Our Trip Staff have a variety of trip-leading experience, medical training and certifications, and extensive experience working with youth.

BEFORE CAMP BEGINS

CHECK-IN & CHECK-OUT

- Check-in and Check-out times and locations vary depending on the trip. Please find the details for your trip among the trip-specific information below.
- To be admitted to our programs on check in, your camper must have the following complete and received in the office four weeks before camp:
 - Payment in Full
 - On-site Health Screening (including lice check)
- If your camper has medications (prescription or over-the-counter), make sure your child's name is on the medication. Please check the medications in with the Medic upon arrival.

MEDICATION

If your child takes medication, consult your doctor before camp. All medications must be checked in at registration. Any prescription medication that we receive needs to be in the original container with the child's name and dosage information.

Medications that are prescribed to parents or siblings cannot be administered to campers. Please do not pack any medications, including non-prescription or vitamins, in your child's luggage. It is helpful to place the medications in a Ziploc bag with the child's name clearly labeled. The camp health center and staff on trips will have a variety of over-the-counter medications for simple ailments. Medications are usually dispensed at mealtimes; if your child needs to have medication at another time, please let the Medic or Director know when you check in.

SPENDING MONEY

Campers are encouraged to bring a small amount of cash for spending on souvenirs from gift shops or snacks during travel days. Spending (particularly on snacks) may be limited at the staff's discretion. Access to the Camp Jones Gulch Camp Store is unlikely on most trips as time spent at camp is so limited.

SAVING MONEY WHEN PACKING

Please review the packing lists on the pages that follow. Note that you do not need to buy all gear at camping stores or specialty stores. You can find many of these items at discount outdoor stores at thrift stores such as Goodwill. If you do not have an item on the list and wish to borrow from us, please let us know. You can email [Xander Tartter](mailto:atarter@ymcasf.org) at atarter@ymcasf.org or call our main office at 650-747-1200. We also plan to call participating families prior to each trip to check in about gear needs and make sure everyone is prepared.

The YMCA will provide all group camping gear (tents, stoves, fuel, cooking equipment, food, first aid kits, water purification, etc.) There is no need to pack any of this prior to your trip.

BOLD & GOLD Packing List

SAFETY:

You will be living outside, so having the right clothing is important for your comfort and safety. There could be rain, hot sun, or strong winds on your course. Our clothing list reflects the importance of the “layering” principle. Dressing in several light layers rather than one heavy layer allows you more flexibility as the weather and workloads change. Please review this checklist carefully and make sure you have all the required items. There is very limited space in the mini-bus and in your backpacks, so please bring only what is on this list.

FRONT-COUNTRY CLOTHES:

The packing list below is for the backcountry. All of our trips have 1-3 days in the front-country. Feel free to pack an extra clean set of clothes to use on either end of the trip.

GEAR CHECK:

We will check your gear before we depart to make sure you have everything you need and nothing you do not. We may ask you to leave something behind to be stored securely in our office if we think it will be unnecessary or inappropriate.

Why NO COTTON?

Cotton is not a good fabric for the outdoors because it will not keep you warm when it gets wet, and it takes a very long time to dry. Also, avoid any blends with cotton. PLEASE CHECK YOUR TAGS! Wool, fleece, capilene, and polypropylene (100% polyester) are good fabrics for the outdoors!

Note: Only tee-shirts, underwear, and bandanas should be cotton.

SAFETY TIPS

Please stay with your camper until they are checked in by a YMCA Camp Jones Gulch staff person.

We require all passengers to wear seat belts in vehicles that are equipped with them.

The winding mountain roads can cause motion sickness in some campers. Please try to avoid large heavy meals and consider using a motion sickness medication prior to the trip.

WHILE AT CAMP

COMMUNICATION & UNPLUGGING

Most of our trips involve travel to remote places where cell phone service is inaccessible. Our trip leaders check-in at regular intervals with staff back at camp by cell phone or satellite phone if necessary. We generally do not allow campers to have cell phones while on trips and want to encourage our teens to take the opportunity to unplug, take a break from technology, and spend time bonding face-to-face with one another. In the case of an emergency in the field, our highly-trained and experienced staff will be responding promptly, communicating with emergency services (if necessary) and then with our staff at camp. If you need to reach your camper in case of a family emergency, you may call Camp Jones Gulch and we will get the message out to our staff in the field as soon as possible. Please do not expect direct communication from campers in the field except in the case of an illness or emergency.

.....

BEHAVIOR AND DISMISSAL POLICY

Attending YMCA Camp Jones Gulch is a privilege that you as a parent/guardian have chosen for your child. Our staff will make every attempt to provide positive, realistic expectations and guidelines for your children. During registration, parents/guardians are given the YMCA Ground Rules Policy and agree to review them with their camper. This presents an ideal opportunity for you and your child to discuss appropriate behavior at camp. If a camper is having a difficult time behaving appropriately, counselors will work with the camper and use positive discipline, behavior contracts, phone calls home to parents, and assistance from coordinators and directors to help the child contribute to a safe, respectful community at camp. Campers who cannot abide by the camp rules, or are adversely affecting the experiences of other children, will be dismissed without a refund.

.....

HOMESICKNESS

Going away to camp can be a challenging experience. It is perfectly normal for some children to experience difficulty with the many changes associated with being away from home. Prepare your child by talking with them about this experience prior to camp. Let them know that you have confidence in their abilities, and try to focus on the positive aspects of going to camp, such as the new friends they'll make and the activities they'll enjoy.

Once at camp, our caring and well-trained counselors will keep campers busy and engaged!

HEALTH CARE AND INSURANCE

It is the responsibility of every camper's parent or guardian to provide for the camper's health and accident coverage while participating at YMCA Camp Jones Gulch. The health and safety of your child is our primary concern. We have a qualified camp medic on duty 24 hours a day. Local medical services are available in Half Moon Bay, which is located a short drive away. We have access to 911 emergency services, who respond quickly to a call. Our staff members are all certified in first aid and CPR.

We conduct brief health screenings with all campers on opening day. Please, if your child is ill, do not send them to camp. We will work with you to place your child in a later session or give a refund if a doctor's note is provided. If your child has any health concerns that may affect his/her stay at camp that were not indicated on the Health History and Examination Form, please let us know in writing prior to arrival at camp. Campers with a temperature of over 100 degrees will NOT be admitted into camp.

In case of illness while at camp, campers will be housed in the Health Center for a brief period. Our practice is to call you if a camper is out of program for more than half a day. We will also call you to report any accidents more severe than a simple scratch or bruise. However, if you cannot be reached, we will try to get in touch with the listed emergency contact. Please be sure to provide us with complete emergency contact information, especially if you are traveling. In the event that no one can be reached, we have your written authorization for emergency medical care on the Health History and Examination Form. Emergency services can be available within 10 minutes of calling 911. All off-site trips will have the names, phone numbers and directions to the nearest hospitals for all points of the trip. Again, we will contact you or your emergency contact if emergency services are needed.

Special Medical Needs

YMCA Camp Jones Gulch strives to be inclusive with all youth, however we also want to be realistic in terms of what we can offer based on our staff's medical knowledge. If your camper has any special medical needs, please contact the Director as soon as possible so that, together, we can determine if our camp can provide a successful, positive experience for your camper.

IMMUNIZATIONS

For the safety of our staff and campers, we will not be providing any exemptions to immunizations based on personal or religious beliefs.

AFTER CAMP ENDS

PHOTOS

Photos that staff take during the trip will be posted to our Camp Jones Gulch Shutterfly page following the trip. Once available, an email with instructions on how to access the photos will be sent to families.

EVALUATIONS

At the end of each session, you will receive an evaluation for each program in which your child participated. (The forms will also be available on our website.) We welcome your feedback, as it is invaluable to the future success of our programs. Based on the information we receive from parents and campers, we can make decisions on how to improve our existing programs and implement new ones.

COUNSELOR COMMUNICATION AFTER CAMP

It is the YMCA of San Francisco’s staff policy that our employees have no outside contact with campers after camp unless it is at a sanctioned YMCA function. This includes letters, e-mail, social networking websites and visits in person. Letters addressed to YMCA Camp Jones Gulch are always welcome. Please explain to your camper that the consequences of staff not following this policy are severe, up to and including termination. We have stringent child abuse prevention policies in place to help keep your child safe including, but not limited to, fingerprinting, multiple reference checks, and additional training.

Many camps, schools, and youth agencies have struggled to deal with adolescent behavior on social networking websites and “chat rooms” on the Internet, such as Facebook, etc. We encourage you to research your child’s internet activities so you can stay “in the loop.” We recommend the website www.common sense media.org for more information.
