# ABOUT JONES GULCH

At YMCA Camp Jones Gulch, campers discover the natural world. It is much more than simply canoeing, swimming, campfires with friends, archery, horseback riding, and dabbling with the arts. Campers and counselors work together, learn new skills and build an honest, caring, responsible and respectful community. At the heart of the program, we encourage campers to challenge themselves to meet personal goals, gain confidence and become part of team.

To get the most out of Camp, you must:

- Live and play respectfully with similarly aged campers.
- Be responsible for personal care and individual health and safety.
- Follow a varied activity schedule and manage free time.
- Enjoy overnight excursions that require challenging hikes.
- Understand and respond to group instruction for the activities.
- Join in group activities that build community, such as singing, campfires, and family-style meals in the dining hall.
- Contribute positively to the overall spirit of the camp community.

YMCA Camp Jones Gulch endeavors to arrange reasonable accommodations to make camp accessible while preserving the rustic facilities, natural surroundings and quality of the camping experience for all.

## A SHORT HISTORY OF YMCA CAMP JONES GULCH

The present site of YMCA Camp Jones Gulch was once part of Rancho San Gregorio, a stretch of land granted to Mr. Juan Alvarado by the Mexican Government. After passing through a few proprietors, the land was eventually sold to Jones & Franklin, a smalling milling operation in 1857. David Jones, of Jones & Franklin and for whom our camp is named, constructed a saw mill on this site, which is now our current Dining Hall. In the 1934, the then owner of the property, Mrs. S. M. Black was looking to sell her property to a non-profit to create a camp for boys and girls. Richard Perkins, the General Secretary for the YMCA of San Francisco at that time, negotiated a deal with Mrs. Black and was able to acquire 927 acres of redwood forest and meadows. Over the years, the YMCA of San Francisco has run a variety of camps and has expanded upon the facilities and programs to what you see today!

## OUR MISSION

We build strong kids, strong families, and strong communities by enriching the lives of all people through spirit, mind, and body.

## OUR VISION

Using the vibrant beauty of our own 927-acre property as well as the breadth of dramatic natural areas throughout California, YMCA Camp Jones Gulch will ensure that kids of all ages, and families of all configurations, experience the outdoors. Camp provides pathways for discovery, inquiry, inspiration, rambunctious exploration, and the art of making friends.

## WELCOME ALL

We work to ensure that everyone, regardless of ability, age, cultural background, ethnicity, faith, gender, gender identity, ideology, income, national origin, race, or sexual orientation has the opportunity to reach their fullest potential.

YMCA Camp Jones Gulch is proud to be an American Camp Association accredited camp, meeting nationally recognized standards for quality youth camping.

## OUR STAFF

Our greatest resource is our staff, which is comprised of young adults who are carefully screened for their desire and ability to work with children. They complete an intense training program, to foster a safe and fun environment for our campers. Our directors and coordinators have extensive experience in youth development and leadership. Many of our staff were once campers here themselves. We attract staff from across the U.S and around the world. Staff members come from a variety of life experiences and backgrounds. We put a great deal of effort into recruiting the finest young people to lead and inspire our campers.

## CAMPERS' AGES & DIVISIONS

### Day Camp

This program is for campers entering Grades 1-3. Day Camp is offered Monday-Thursday from 9:30am-4:30pm for campers who wish to go home each night.

### Overnight Camp

While we firmly believe in younger and older youth learning together, Resident Camp is divided into different units that help ensure your camper's experience is age appropriate:

- Pioneers: Entering Grades 3-4
- Explorers: Entering Grades 5-6
- Questers: Entering Grades 7-9
- Rangers: Entering Grades 10-11

### Mini Camp

This program is for campers entering Grades 1-3. Mini Camp is closely meshed with the Resident Camp program and is referred to as "Discoverers and Adventurers."

### Leadership Programs

Our oldest campers also have the opportunity to engage in leadership programs. The Counselor-In-Training I (CIT I) program is designed for our 15 year old campers (Age 15 by June 1) who want to learn more teambuilding and leadership skills. The Counselor-in-Training II (CIT II) program is designed for our 16 year old campers (Age 16 by June 1) who are interested in becoming future counselors and requires a special application. Campers spend one week learning the basics of being a counselor and the second week shadowing older counselors. Both CIT programs are two weeks long.

# BEHAVIOR AND DISMISSAL POLICY

Attending YMCA Camp Jones Gulch is a privilege that you as a parent/guardian have chosen for your child. Our staff will make every attempt to provide positive, realistic expectations and guidelines for your children. During registration, parents/guardians are given the YMCA Ground Rules Policy and agree to review them with their camper. This presents an ideal opportunity for you and your child to discuss appropriate behavior at camp. If a camper is having a difficult time behaving appropriately, counselors will work with the camper and use positive discipline, behavior contracts, phone calls home to parents, and assistance from coordinators and directors to help the child contribute to a safe, respectful community at camp. Campers who cannot abide by the camp rules, or are adversely affecting the experiences of other children, will be dismissed without a refund.

.....

# HOMESICKNESS

Going away to camp can be a challenging experience. It is perfectly normal for some children to experience difficulty with the many changes associated with being away from home. Prepare your child by talking with them about this experience prior to camp. Let them know that you have confidence in their abilities, and try to focus on the positive aspects of going to camp, such as the new friends they'll make and the activities they'll enjoy.

Once at camp, our caring and well-trained counselors will keep campers busy and engaged!

# HEALTH CARE AND INSURANCE

It is the responsibility of every camper's parent or guardian to provide for the camper's health and accident coverage while participating at YMCA Camp Jones Gulch. The health and safety of your child is our primary concern. We have a qualified camp medic on duty 24 hours a day. Local medical services are available in Half Moon Bay, which is located a short drive away. We have access to 911 emergency services, who respond quickly to a call. Our staff members are all certified in first aid and CPR.

We conduct brief health screenings with all campers on opening day. Please, if your child is ill, do not send them to camp. We will work with you to place your child in a later session or give a refund if a doctor's note is provided. If your child has any health concerns that may affect his/her stay at camp that were not indicated on the Health History and Examination Form, please let us know in writing prior to arrival at camp. Campers with a temperature of over 100 degrees will NOT be admitted into camp.

In case of illness while at camp, campers will be housed in the Health Center for a brief period. Our practice is to call you if a camper is out of program for more than half a day. We will also call you to report any accidents more severe than a simple scratch or bruise. However, if you cannot be reached, we will try to get in touch with the listed emergency contact. Please be sure to provide us with complete emergency contact information, especially if you are traveling. In the event that no one can be reached, we have your written authorization for emergency medical care on the Health History and Examination Form. Emergency services can be available within 10 minutes of calling 911. All off-site trips will have the names, phone numbers and directions to the nearest hospitals for all points of the trip. Again, we will contact you or your emergency contact if emergency services are needed.

## Special Medical Needs

YMCA Camp Jones Gulch strives to be inclusive with all youth, however we also want to be realistic in terms of what we can offer based on our staff's medical knowledge. If your camper has any special medical needs, please contact the Director as soon as possible so that, together, we can determine if our camp can provide a successful, positive experience for your camper.

## IMMUNIZATIONS

For the safety of our staff and campers, we will not be providing any exemptions to immunizations based on personal or religious beliefs.

# AFTER CAMP ENDS

## LOST AND FOUND

Please be sure to check the lost and found before you leave camp and check for missing items. We hold onto lost and found items until one week after camp ends; any unclaimed items will be donated to a local charity. If your child has left something at camp, we are happy to mail it to you, provided we are reimbursed for the postage. To reduce the number of items lost, **please mark your child's belongings with their name.**

.....

## EVALUATIONS

At the end of each session, you will receive an evaluation for each program in which your child participated. (The forms will also be available on our website.) We welcome your feedback, as it is invaluable to the future success of our programs. Based on the information we receive from parents and campers, we can make decisions on how to improve our existing programs and implement new ones.

.....

## COUNSELOR COMMUNICATION AFTER CAMP

It is the YMCA of San Francisco's staff policy that our employees have no outside contact with campers after camp unless it is at a sanctioned YMCA function. This includes letters, e-mail, social networking websites and visits in person. Letters addressed to YMCA Camp Jones Gulch are always welcome. Please explain to your camper that the consequences of staff not following this policy are severe, up to and including termination. We have stringent child abuse prevention policies in place to help keep your child safe including, but not limited to, fingerprinting, multiple reference checks, and additional training.

Many camps, schools, and youth agencies have struggled to deal with adolescent behavior on social networking websites and "chat rooms" on the Internet, such as Facebook, etc. We encourage you to research your child's internet activities so you can stay "in the loop." We recommend the website [www.commonsensemedia.org](http://www.commonsensemedia.org) for more information.
