THE ORIGINAL DAY CAMP

A program of the Presidio Community YMCA

Throughout the summer, the Presidio Y offers a variety of day, specialty, and sports camps to youth ages 4-15. Last summer, we served a total of 1,480 youth - nearly 160 youth per week - in innovative, fun and high-quality camps.

The Y stands for youth development; safety, skill building, youth participation and relationship building are core to our program delivery. Our goal is to spark our campers’ interests, develop their talents, and help them flourish throughout the summer and beyond. We use our unique location in the Presidio to help educate youth on nature and the outdoors. Youth learn Y values of caring, honesty, respect, and responsibility while making friends and having fun.

“My son has enjoyed the last two summers with the Presidio YMCA and this would not have been possible had financial assistance not been available.”
