# POLICIES & FAQ'S

## CAMP POLICIES

**Sign In/Out Procedure:** Sign-in begins each day at 7:30am and closes at 9:00am. Pick up begins at 4:30pm and ends at 6:00pm. Every day your child must be signed in and out by an adult listed on the registration form. To add an adult to your child's pick up list, you must contact your camper's Unit Director. For your child's safety, anyone picking a child up is required to show a picture ID to a Member Services staff person every time they enter the Y. If you need to pick up your child prior to the authorized times, you will need to connect directly with your child's Unit Director.

**Absence/Illness:** Help us prevent and reduce the spread of illness at camp. Parents must notify the Unit Director if they or their children have contracted a communicable disease. Children will not be allowed to attend camp until cleared by a doctor. Typically we do no refund or provide credits for missed days.

**Extended Care:** Extended care is offered at no additional cost! During extended care hours, campers have a variety of stations to choose from, including sports, group games, arts & crafts, and so much more. Extend camp runs from 7:30-9:00am and 4:30-6:00pm.

**Swim Test Requirement:** Campers will complete a brief shallow water competency check the first time they swim this summer with the Embarcadero Y. This test is conducted by a certified lifeguard. Campers who do not pass the swim check will wear one of our personal flotation devices.

**T-shirts:** Each child will receive one Embarcadero YMCA Camp shirt. It is important that all campers have a camp shirt for any trip that requires us to leave the building (please see the Field Trip guide for trip details). Camp shirts are also available for \$5 each if you would like a second shirt or if you lose your original one.

**Restrooms:** Y Campers can use the restroom and locker room that is consistent with their gender identity. Depending on the resources at each program facility, an All Gender space may also be available. For more information on All Gender inclusive spaces, please connect with your camper's Unit Director or contact Shiante Lewis, Director of Treasure Island YMCA and Youth Programs, at [slewis@ymcasf.org](mailto:slewis@ymcasf.org).

**Discipline Policy:** Please keep the staff informed of any home or school life concerns, so that we can be sensitive to your child's needs. We would like to work as a team with your family for the betterment of your child. This will enable us to provide the best environment for your child's growth and development.

Our first step is to be proactive in our approach towards behavior management. We take steps before a situation occurs. The more we know about a child's home and school life, the easier it will be for us to take this step. We also use positive reinforcement by consistently acknowledging good behavior.

## FREQUENTLY ASKED QUESTIONS

**Where do I turn in my medical release/liability waiver form?** Medical release/liability waiver forms are required for each camper. All medical release/liability waiver forms may be dropped off at the Member Services desk during regular business hours or mailed to the Embarcadero YMCA, Attention: Orly Ramirez, 169 Steuart Street, San Francisco, CA 94105.

## FREQUENTLY ASKED QUESTIONS CONT.

**What should I bring to camp?** For a typical day of camp, your child will need the following items each day:

- Backpack
- Water bottle
- Swimsuit
- Comfortable clothes and shoes that you wouldn't mind if they got a bit dirty.
- 2x Allergy medicine and instructions—one for the camper or counselor to carry and a second for the camp office to have for the week.
- Healthy bag lunch
- A good attitude
- Jacket or sweatshirt
- Sunscreen and hat

**What should not be brought to camp:** Electronics, cellphones, iPads, iPods or gaming systems, toys, candy, alcohol, weapons of any kind.

**What if I am late dropping off and picking up my child from camp?** Any time you are going to be late it is important for you to call Member Services at (415) 957-9622 to inform our staff. If a camper is dropped off late and their camp has left the Y, the parent is not permitted to leave their camper with another camp group. At the end of the day, if the parent is repeatedly late picking up the child, a charge of \$1 per minute will be billed to your account.

**How do I ensure my camper is in the same group as their friend?** Camp is an important place to make new friends and develop new relationships. Camp is designed for participants to develop new friendship with their peers and we encourage parents to support this goal. However, if you still need to ensure campers are within the same group, you may provide a written note for the Unit Director of your camp on the first day. Camp staff will attempt to ensure your camper can be with the same groups, but groupings depends on ability and/or age and therefore these accommodations will not always be possible.

**When is the balance due for camp?** The deposit for each camp is due at registration. The remaining balance for each camp is due 14 days prior to the start date of camp. Failure to pay balances will result in forfeiture of the deposit and registration.

**What if my child has a special need/disability can they still participate in your camp?** The ADA protects three categories of individuals with disabilities: 1) those with a physical or mental impairment that substantially limits one or more major life activities; 2) those with a record of such an impairment; or 3) those who are regarded as having such an impairment, whether or not they have the impairment.

Reasonable Accommodation/Modification – Accommodations to policies, practices or procedures, also referred to as modifications, are wide-ranging and reasonably necessary to avoid discrimination against individuals with disabilities. The purpose of accommodations is to minimize the barriers to the individual with a disability limiting their ability to participate in programs and services with the YMCA. The duty to provide reasonable accommodation or modification is limited to those accommodations that do not fundamentally alter the nature of the services or facilities it provides and do not impose an undue burden on the YMCA.
